MARSALA

2015 Color of the Year
from PANTONE

Pantone Announces its 2015 Color of the Year

Pantone, a global color authority, announced *Marsala*, a naturally robust and earthy wine red, as the Color of the Year for 2015.

"Much like the fortified wine that gives Marsala its name, this tasteful hue embodies the satisfying richness of a fulfilling meal, while its grounding red-brown roots emanate a sophisticated, natural earthiness. This hearty, yet stylish tone is universally appealing and translates easily to fashion, beauty, industrial design, home furnishings and interiors."

Leatrice Eiseman, executive director of the Pantone Color Institute®

At National Nonwovens, we have many **red-brown WoolFelt® colors** similar to **Marsala** so you can stay ahead of the new color trend.
