## Introducing the... *Dreamcatcher Series*

### New 2015 WoolFelt® Colors

We are very pleased to introduce the new *Dreamcatcher WoolFelt® Series*, which will be unveiled at the **2015 International Spring Quilt Market** in Minneapolis, Minnesota. The six new colors in the Dreamcatcher Series are part of the TOY002 product line, expertly constructed from an innovative blend of 35% wool and 65% rayon, making it both soft and strong.

The new collection invokes an aura of mystical environments while drawing upon rich hues found in native cultural heritages. The colors include:

- *Angel Wings* – a soft, almost-white hue
- *One-Shade-of-Grey* – ideal balancing grey
- *Eternal Sunshine* – an illuminating yellow
- *Adobe Dreams* – an energizing, red-coral
- *Midnight Dance* – deep, playful blue
- *Magical Forest* – a rejuvenating green
