## Gossip Tidbits

Hooray, summer is here! Spring is still on our mind though, especially **Spring Quilt Market** in St. Louis where we introduced our new WoolFelt® Collection **Throwbacks & Beginnings**. In case you missed it, below is a picture from our booth.

The new and bring-back colors (pictured top to bottom) include **Native Maize**, **Columbia Blue**, **Opal**, **Hint of Mint**, **Ocean Kelp**, and **Mystical Mandarin**.

We also had fun showing off projects made by some of the most talented designers in the Industry. The penny rug in the picture was created by **Kathy Bigott** of **Woolhearts** who just came out with this new **WoolFelt Leaves Wreath** in colorful summer colors. ([www.woolhearts.com](http://www.woolhearts.com))

The charismatic elephant and lion in the picture was made by **Annette Huval** of **Oliver Rabbit** who also made this **WoolFelt Polar Bear Pattern** that is sure to capture everyone's attention. ([oliverrabbit.com](http://oliverrabbit.com))

The cute horse was designed by **Delilah Iris** who also created these adorable felt bears available as a **DIY bear sewing kit**. Buy the kits at [delilahiris.com](http://delilahiris.com).

Let's not forget **Felix the fox** sitting on top of the new WoolFelt® bolts! This little guy has one big personality. **Cynthia Treen** of **threadfollower** stitched-up him and his friends, **Frog Prince** and **Penguin**.

Patterns are packaged in super-attractive boxed kits that have shelf appeal and are irresistible gifts for either yourself or your friends. Go to her website at [www.threadfollower.com](http://www.threadfollower.com) for information on how to

order these great kits.
