

# NATIONAL NONWOVENS Pattern Partners & Designer PROGRAM

## Benefits

Do you have a pattern company or design business with projects made from National Nonwovens' products? If the answer is yes, then you may already qualify to be in our Pattern Partner & Designer Program. There are many benefits to being in the program. Designers are eligible to:

- Receive complementary samples (limits apply)
- Have your company listed in future hand-outs, newsletter, and on our website
- Display models in National Nonwovens' booth at tradeshows
- Receive updates on new colors and styles.

## Qualifications

What qualifies a designer, project book author, and/or pattern company? Although our goal is to keep the program *flexible, friendly,* and *fun*; there are several common characteristics:

1. **Most importantly...** Designers sincerely endorse our felt products and put us in the materials listed on your patterns or tutorials.
2. Have national exposure or are very active in their local quilting/craft community.
3. Projects are original concepts or designs.

To join our program, please call us at 800-333-3469, email the below information to [christin.henke@gmail.com](mailto:christin.henke@gmail.com), or fax it to 413-527-9570.
